Mr. Cole L. Bleasie, of Newberry, is here doing the Exposition. He is so pleased with the show that he will probably remain until Monday. The following is taken from the Columbia co. correspondence to the Asheville Medium of the 20th inst: I walked part of the way to church with Miss Rebecca McCracken a teacher in the Presbyterian Church for Women. ## VARIOUS AND ALL ABOUT.

Remember the "Charity Bazaar," at the Armory next Friday night.

Yesterday was a very disagreeable day. Sleet and rain.

Tomorrow is a legal holiday—22nd day of February—George Washington's birthday.

There are many cases of grippe in the city and the doctors are kept pretty much on the go all the time.

The time for making tax returns expired on Thursday. If you failed to make your return, you will be "writ down in red ink."

L. W. Jones Esq., advises that he will sell the assigned stock of goods of D. C. Flynn at private sale and at auction. There will be bargains.

The Charity bazaar, under the auspices of the Bachelor Maids, has been postponed on account of the bad weather, to next Friday night, 28th. It will be something unique as an entertainment and every body should attend.

The entertainment at the Armory next Friday night by the Bachelor Maids is for charitable purposes. Plenty of amusements will be there for those who attend—so go and help the ladies in a good cause.

H. E. Todd & Co., requests us to state that all clippings of the stove advertisements in The Herald and News, to count in the contest for the Buck Junior Range, must be in at the store by 1 o'clock tomorrow, Saturday afternoon.

Two fires within a few hours of each other, is a new record for Newberry. We know there must be a cause for it and here it is: The only and original, admirable F. W. Higgins is on duty for the first time in 20 years. Bad fires—the court house and the H. Hall office—a natural result.

The regular meeting of the city council scheduled for Tuesday night was not held on account of the absence of two of the Aldermen. It was thought that some important matters would be considered at this meeting, among other things, the Bell Telephone proposition.

The Board of Firemasters held a meeting on Tuesday afternoon and considered the fire bell as a fire alarm, and suggested that they fathers take immediate steps to put in some alarm that would in reality be an alarm when fire breaks out. We join the Board in this request. The present bell, as it is, is certainly a failure as an alarm.

## Personal.

Mr. and Mrs. H. S. Cannon are visiting relatives in Columbia this week.

We had a pleasant call on Wednesday from Mr. R. L. Stoudemeyer, of Prosperity.

Bishop Ellison Capers while on his visit here next week will stop with Mr. O. McR. Holmes.

Alderman H. K. Blais came up Tuesday from Columbia to attend a meeting of the city council.

Mr. R. P. Fair, of the Standard Oil Company, is spending a few days in the city with relatives.

Mr. B. A. Holmes, of Charleston, was in the city on business Wednesday. He paid the Herald office a pleasant visit.

Miss Julia Wood, after a pleasant visit to Mrs. J. A. McGraw, in the Mt. Bethel community, left the early part of the week for her home in Atlanta.

Mrs. I. P. St. Amant has returned from a visit to Charleston and the Exposition. She is charmed with the great Exposition and reports large crowds in Charleston seeing the sights.

## Mr. Wheeler Got Rid of His Rheumatism.

"During the winter of 1898 I was lame in my joints, in fact all over my body, that I could hardly hobble around. When I bought a bottle of Chamberlain's Pain Balm from the first apothecary I began to get well, and was cured and have worked steadily all the year."—R. Wheeler, Northwood, N. Y. For sale by W. E. Pelham & Son.

## College-Lake.

On Wednesday night Prof. E. B. Seitzler, of Newberry college, was happily married to Miss Una Lake, at the residence of her mother, on college hill. Prof. Seitzler is the efficient professor of English and modern languages in Newberry college.

Miss Lake is a most popular and beautiful young lady and has hosts of friends in Newberry.

It was a quiet home wedding, solemnized in the presence of the immediate relatives and a few invited guests. The ceremony was performed by the bride's pastor, Rev. W. I. Herbert, of the Methodist church.

After a most elegant supper the bridal couple left on the night train for Charleston, where they will take in the Exposition.

The Herald and News extends congratulations and best wishes for a happy voyage down the stream of life.

## Something That Will Do You Good.

We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to acquaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we haven't any doubt but that it has time and again prevented croup. The testimony is given upon our own experience, and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup. Camden, (S. C.) Messenger. For sale by W. E. Pelham & Son.

## FOR A RED MEN'S DAY.

Bergell Tribe, No. 24, I. O. R. M., Entitled to the Honor of Taking the Initiative Step in Getting Up a Red Men's Day at the Exposition.

The following is taken from The State of the 19th instant:

Wasnesaw Tribe, No. 27, I. O. R. M., last night took the initiative in the matter of getting up a "Red Men's Day" at the Charleston Exposition. A committee was appointed to communicate with the lodges in various portions of the State on the subject. The committee consist of John T. Gaston, E. J. Jones and J. T. Bangle.

As a matter of fact Bergell Tribe, No. 24, Improved Order of Red Men, of Newberry, took the initiative in this matter last night a week ago, at which meeting a member of Wasnesaw Tribe was present and took part in the discussion, acknowledging that nothing whatever had been done to his knowledge in regard to having a "Red Men's Day" at the Charleston Exposition.

As a result of the discussion, at this meeting a committee was appointed consisting of Messrs. J. D. Hair and Cole L. Bleasie for the purpose of communicating with the different tribes of the State on the subject, looking to getting up a day for the Red Men at the Exposition. And this, we submit, was the first action by any tribe in regard to the matter, and if there is any honor attached to the fact of inaugurating such a movement we must insist that Bergell Tribe is entitled to that honor.

The Red Men have a membership in this State of about 4,000, and would make quite a showing should they turn out in a body.

We hope that Bergell Tribe will succeed in the movement and that every tribe in the State will join heartily with them and make a showing equal to any order in the State.

## Buried Manner.

Tuesday afternoon at the Methodist parsonage, at Kiwatts, Rev. Mr. Throver, united in marriage Mr. Fair Buford and Miss Lois Manson. Mr. Buford is the second son of Sheriff Buford and is a prosperous and energetic young man. Miss Manson, the bride, is a popular young lady, who has been teaching school in that community, and her friends are numerous. The Herald and News extends best wishes.

## The Demand for Dickson's History.

We have been receiving orders for copies of Dickson's History from several of the Northern States of late. The following is a copy of a letter received a few days ago from Baltimore, which goes to show in what spirit the book is being read abroad:

16 Chamber of Commerce, Baltimore, Feb. 14th, 1902.

Messrs. Elbert H. Aull Co., Newberry, S. C.

Gentlemen: I thank you for your kind and prompt attention in sending me Dickson's History of Kershaw's Brigade which has been duly received. I anticipate great pleasure in reading his account of the heroic deeds of a glorious period. Among the memories I cherish is friendship for some of the officers of the 2nd South Carolina Regiment.

Yours very truly,

P. J. MCKENNA

## Four Good and Sufficient Reasons.

There are four good and sufficient reasons why you should use "Clifton":

1. Because it is the best patent flour in the market, and makes the whitest and lightest biscuit and rolls and most delicious cake and pastry.

2. Because it is absolutely pure, being guaranteed by the Anti-Adulteration League, the executive committee of which will pay any one who discovers any adulteration in it a reward of \$1,000.

3. Because it is made of the best selected wheat grown on Kentucky soil and is milled as much with regard to the nutritive value of the flour as its color and rising qualities.

4. Because it is the only flour manufactured south of the Ohio river that is guaranteed by and bears the Anti-Adulteration League trade mark, thus affording the consumer absolute immunity from the poisonous mineral that is being used to adulterate flour.

## ANOTHER FIRE.

Herald and News Office Has a Narrow Escape From Total Destruction—Good Work By the Fire Company.

Monday night about 11:30 o'clock the Herald and News office was discovered to be on fire. All the companies quickly responded to the alarm, and some of the best fire fighting ever seen here was done on Monday night. At first it seemed as if there was no chance to save the building from total destruction, but it was not long after the department appeared upon the scene until the fire was under full control.

It is supposed that the fire was caused by the heat on the second story from the flue leading from the engine, in the rear of the house, on the first story. However, this flue was thickly coated throughout with asbestos.

A good deal of damage was done in the second story. All the ceiling, floors, papering and plastering were badly burned and are a total wreck. On the first story a good deal of damage was done to presses, paper, and type, mostly by the water. However, on Tuesday morning, the force went to work repairing the damage to machinery and everything is now running smoothly.
